Re: Friendship and Good Works Together

Dear SOLONGO Jambaa,

In America we have a rarely used expression that I hope translates as well as it is intended, “a new friend who is really an old friend just found”. This is the best way to convey my sentiment for you.

We will do many good things together, this I am sure of.

Warmest Personal Regards,

Carmen B. Cabell

Carmen B. Cabell Consul
Foreign Missions Head of Post

Post Script: You have surrounded yourself with an impressive inner circle staff. They are devoted to you and your good work, professional and caring. It does not get any better than that. Please extend my warmest sentiments to them.
